Notice to Depots and other Stakeholders

The Stewardship Agencies identified below have initiated a cost study to better understand the cost centers at private multi-material depots. The firm of MNP LLP has been retained to conduct the study. The participating Stewardship Agencies are responding to the Ministry of Environment's guidance and directive that the costs of operating a multi-material depot be better understood and that depots be engaged in the process.

The participating Stewardship Agencies are:

1. Canadian Electrical Stewardship Agency
2. BC Used Oil MA
3. Call2Recycle
4. Outdoor Power Equipment Industry Council

For additional information about the study or if you have any questions, please contact:

Chris Hartman, MNP
